August 2020 Newsletter

Dear MEfA Montessori Families and Friends,

Back to School in September!

I hope you have enjoyed some of the lovely Summer weather!

This month we have more photos of our families who have been visiting us in our beautiful Forest School/Wellbeing Area.

We are very pleased to announce that Mlle Camille Florent, a MEfA Montessori graduate and native speaker of French, will join our MEfA team in September. All Montessori baby, toddler and school classes will run concurrently in English and French.

Lockdown has been a good time for children to examine their relationships with their peers, and although there is much that children have missed out on in their months away from school, many of our families tell us that they have developed a new sense of normal; some families call it a 'bubble' of wholeness, and some describe it as a gentle, reliable daily routine.

I am very much looking forward to welcoming you all back to MEfA Montessori! My best wishes to you all as we return to new 'normal'.

Our new school term commences Monday 7th September 2020. There are six weeks in the first half term – please ensure your child's fees are paid in full on or before the first class.

Wendy
