## June 2020 Newsletter

**Dear MEfA Montessori Families and Friends,**

I do hope you are well, safe and happy!

Summer begins in June in both meteorological and Montessori spheres – we have three solid months for each of the seasons – and so we are now well and truly into the beginning of Summer.

Last week some of our babies, toddlers, preschoolers, reception, Year 1 and Year 6 children have been trying out a new routine at their various nurseries and schools with mixed results.

Many of our parents have decided to keep their children at home until the outcomes of the loosening of the 'lockdown' become apparent.

On the whole our parents and children are enjoying their time at home together – they have moved gently into a new normal and as their photos show this has resulted in a large amount of artwork, cooking, handwork and time spent at the beach and in parks and forests.

A few months of lost schooling is unlikely to dampen a child's future life chances.

Please keep sending your family photos; they will be a keepsake for us of a different, challenging but often beautiful time.

P.S. We are gradually inviting our families (socially distanced of course) to visit our Forest School Garden where our veggies and flowers are looking amazingly healthy! Please let me know if you would like to come and visit us!
