## Spring 2020 Newsletter

**Dear MEfA Montessori Families and Friends,**

Welcome to our new half-term!

The recent storms Ciara and Dennis have certainly had a massive impact on many families and schools in the UK and beyond. We do hope you are all safe and sound - and above water.

Thankfully all of our newly established Forest School/Well-being Area trees are safe and sound, having put down strong roots since their planting last Spring and Summer.

We are planning a Forest School/Well-Being community weekly lunch on Wednesdays to ensure that as many people as possible can benefit from our wonderful new resource.

Students on Cohort 20 of the MEfA Montessori post graduate training have now finished their on-site programme and they are busy working on their final projects.

At the end of last half term, we said a very fond goodbye to Miss Zeinab after her second term of training with us. We will miss her very much but many children in Egypt will benefit from her growing expertise.

The next Waldon Therapy training/refresher weekend will be held on 28/29 March 2020. Details are on the MEfA website.

This half term we are exploring dinosaur skulls, the metamorphosis of frogs and butterflies, and the colours of gemstones and crystals. We return to school on Monday 24<sup>th</sup> February. There are six weeks in the next half-term. Please ensure your child's fees are paid promptly on or before the first class. I look forward to welcoming you!

*"The sensitiveness to order in the child is twofold. Two sensibilities exist in him contemporaneously. One of these has to do with the relations between the various parts of the external environment; the other, which is internal, enables him to realise the parts of his own body which act in movement and the position they take up: to this we might give the name of inner orientation."* Maria Montessori, Child Education, 1936/2007 Kalakshetra Publications

## Montessori School 2 - 9 years – also homeschool, flexischool

Montessori School classes: **Tuesday** and **Wednesdays** 9:30 -11:30
