Summer 2022 Newsletter

Dear MEfA Montessori Families and Friends,

I hope you enjoyed the half-term break and the Queen's Platinum Jubilee celebrations! Our street party was wonderful, with fun, games, conversation, party food and a good deal of 'coming-togetherness'.

We are so happy to congratulate our two academic interns who have spent a full year with us – Bella and Minna – thank you so much, you have both gone over and above in true MEfA Montessori style! We wish you well and feel very sure that you will excel in your exams!

This half-term we are focusing on geography, the countries, capitals and especially animals from each continent, also land and water forms - and in the garden we are raising fruits, vegetables and flowers in our usual way.

We are so excited to see how high our runner bean plants will grow! We have peas, broccoli, Brussels sprouts and absolute monstrosities of radishes which have defied all expectations – the size of beetroots.

The bees and other pollinators are loving the orange, blue and purple flowers in our garden!

Wendy

"Let the children be free; encourage them; let them run outside when it is raining; let them remove their shoes when they find a puddle of water; and, when the grass of the meadows is damp with dew, let them run on it and trample it with their bare feet; let them rest peacefully when a tree invites them to sleep beneath its shade; let them shout and laugh when the sun wakes them in the morning as it wakes every living creature that divides its day between walking and sleeping."

Maria Montessori, *The Discovery of the Child*

Montessori School 2 - 11 years – also homeschool, flexischool

Monday, Tuesday and **Wednesday** 9:30 -11:30
and **Thursday** 13:00 - 15:00.
